

MODULAR LTC PHARMACY FIXTURES & FURNISHINGS OVERVIEW

OUR COMMITMENT, LOYAL & LONG-TERM RELATIONSHIPS

Sharing close to 50 years of industry-leading pharmacy design expertise, COSHATT'S pharmacy fixtures offer turn-key innovative solutions that are specifically designed for every area of the pharmacy. Whether you need a new pharmacy or remodeling an existing layout, our trained professional pharmacy designers and installers guide you to your preferred work environment. Creating spaces with efficient work flows and budgets, while achieving the ultimate aesthetic is our mission.

DEDICATED TO YOU SINCE 1972

A lot has changed since our humble beginnings, but as our industry evolves, what hasn't changed is the passion and pride we take in designing and installing each and every pharmacy. COSHATT's team comprised of pharmacy and healthcare design experts stay at the forefront by creating new solutions to meet the ever-changing needs of tomorrow's pharmacists. This design background and pharmacy specific experience enables us to be a trusted and preferred partner by world-class pharmacies around the country.

THE CREATIVE ADVANTAGE; CUSTOM SOLUTIONS AT MASS PRODUCED PRICES

All of COSHATT's fixture offerings come in a tremendous array of sizes, options, materials and configurations. And we go much further than this, offering the ability to reconfigure virtually every item **within** our product lines, or even to create completely new and unique models and options as part of a specification. Virtually every fixture is offered on a custom-designed basis, with modular construction for ease of installation and reconfiguring.
